- **PURPLE** (glass-only) bin will be collected every four weeks on your usual collection day. Refer to the **G** week for collection dates.
- Glass bottles and jars go in the **PURPLE** bin. Please place metal lids in the **YELLOW** recycle bin.

### Waste Tips:

- Download the **GoodSort App** from the **Apple & Google App Stores**.

- Keep your **RECYCLING** and **GLASS** bottles & jars loose, don't bag it.

### Reasons your bin might not get collected:

#### Contains incorrect material

- Eg. Household garbage in recycling, glass or organics bin.

#### Bin was placed out after collection

- Bins are required to be placed out the **night before** collection as per Council's Local Law.

#### Overfilled bins

- Bin should be no heavier than **80kg** – if you have trouble moving it, trucks have trouble lifting it.
- Cause spillage on the roadway.
- Open bins attract birds and vermin.
- Open bins become overweight due to water entry.

**Do not place extra items next to the bin as these cannot and will not be collected. Please take extra items to a Transfer station.**

**G** Glass Collection – Place **PURPLE** (glass) bin out with **YELLOW** (recycling) bin.
