CONDITIONS

Commencing work: work shall not commence until a permit is issued, except in the case of an emergency. Before excavating, check for underground services by visiting www.byda.com.au or phoning 1100.

Significant vegetation: the applicant will be held financially responsible for any removal of vegetation without approval, or damage to vegetation which in the opinion of Council will detrimentally affect the life of the vegetation.

Vehicle crossing construction: a separate permit is not required if crossover reinstatement is included in the works. Guidelines for placement and spacing of crossover can be found on Council's website at www.colacotway.vic.gov.au.

Damage to Council Assets: any damage to Council assets by service authorities will be the owners or permit holders responsibility.

DECLARATION

I declare that I am the applicant; and that all information I have supplied in this application is true and correct.

I acknowledge that I will be solely responsible for rectification costs associated with any damage caused to Council assets due to completion of these works. I agree to inspect the site and report on any existing damage to Council prior to commencing work. I will be liable to pay full restoration costs, should I fail to report such damage.

I agree that I am responsible for the safeguarding of the public against injury and for maintaining the site during the existence of the work, in a safe condition at all times.

I understand and accept that all fees are non-refundable.

By signing this application, I agree that I have read, understood and accept the conditions. I accept that all these conditions must be complied with.
